Subject GE Rome and Coosa

Hi Mary and Nadine,

Here are the comparison site costs if we used the updated indirect rates:

GE Rome	site cost w/new rates	\$1,299,283.99 ←
	site cost from 5/1 3rd amendment	\$1,294,454.47
	Difference	\$ 4,829.52
GE Coosa	site cost w/new rates	\$ 217,434.07 ←
	site cost from Amended (Vicki has not signed)	\$ 216,068.11
	Difference	\$ 1,365.96

The data warehouse system was shut down again today, but hopefully it will be ready tomorrow and I can give you the numbers for the most recent cost.

Thanks,
